Security testimony (2)

Wade Robson <waderobson@me.com> Feb 15 at 8:55 PM To Mom Robson

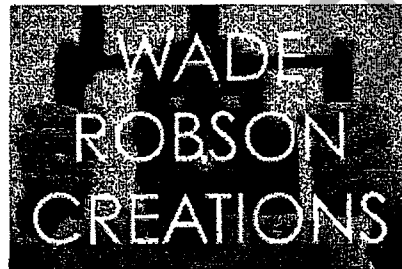

There is testimony from a security guard that states the mother's day incident was in 1990. What do you think?

In a witness statement taken by the SBSID on April 15, 1994 in connection with the Chandler Investigation, Charli T. Michaels (a security guard at Neverland from March 21, 1990 through March 6, 1992) stated that she encountered Wade and his mother during their visit to Neverland in May 1990, and witnessed an incident involving Jackson and Wade. Ms. Michaels stated that on Mother's Day 1990, she found Joy Robson crying and upset. When Ms. Michaels attempted to console her, Joy told Ms. Michaels that she was upset because she had been restricted from seeing Wade by Staikos while he was in the company of Jackson. Staikos had told Joy that Jackson and Wade were rehearsing a dance routine in the theater at Neverland, and that she (Wade's mother) was not allowed to go in or disturb them. Staikos had also prohibited Joy from sleeping in the main house at Neverland while Wade was staying in Jackson's room. Ms. Michaels also stated that on the same day she had this encounter with Wade's mother, Staikos threatened her with disciplinary action for speaking to Wade's mother in violation of the rules regarding treatment of guests at Neverland. Ms. Michaels heard that Mr. and Mrs. Quindoy had been similarly reprimanded by Staikos for speaking to Joy on this occasion. Ms. Michaels was also subsequently informed by Joy that she had gotten in "lots of trouble" with Staikos for speaking with Ms. Michaels, and that Staikos had told her not to talk to any employees at Neverland. (A copy of Ms. Michaels' witness statement has already been provided to Requesting Party.)

Ms. Michaels further stated that later that same day (Mother's Day 1990), she was

Questions for Mom - 2.0 (24)

Wade Robson <wajero@me.com> 10/04/12 at 3:06 PM  
To Mom Robson  
CC Wade Robson

During that first trip to America, when you guys came back from RV trip and You, Chantal and I stayed at Westwood condo, do you remember much of that part of the experience? What we did, what sort of things were talked about? Anything.

Can you tell me all that you remember Dad telling you about being sexually abused?

Remember that story of after I won one of the Star Search episodes, we were going to sleep and I asked you something along the lines of, "Are you proud of me?" Can you tell me that story as you remember it?

What gifts, material and monetary, can you remember Michael giving me / us from when we became friends in 1990 until we moved to USA?

What gifts, material and monetary, can you remember Michael giving us from when we moved to USA in 91 on?

Post our first trip to USA and until we moved to USA, how many trips to USA did we make?

When did you decide that we were going to move to USA?  
Was Dad ever invited or no?  
When did you tell Dad that we were moving?  
When did you tell everyone?

When we were moving to America, what was your expectation or belief of how our living situation and how our life was going to be?  
I can't remember why, but I remember that when we arrived and showed up to the Oakwood apartments, something happened and the mood became stressed, angry, confused, sad. It was as if we thought something was going to be one way and we just found out that it was not going to be that way at all. I just don't remember what it was that we found out.  
I also remember that you & therefore we were suddenly scared about our lack of money.

Can you tell me what you remember of the first time that the cops came to the hollywood apartment door in 1993 and wanted to speak to me about Michael molesting me? This was the first we had heard of any allegations right? Were you there or was I alone?

When was it that I was home alone and the media was filming me through the window? You were at work right? Did I call you at work? If so how did I sound? How was I when you saw me post? Was I shaken up?

How much can you remember in bullet point form the unfolding of my/our involvement in the 1993 criminal investigation?

- Cope came to the door.
- Then what?
- Mass media interviews
- What were the steps that led to our testimony?

END OF QUESTIONS.

Again, a lot, I know. Answer whatever you can, whenever you can.

I know this may not be easy stuff to rehash for you as well

After we moved to the States, he used to send a lot of gift baskets. There were two 10,000 dollar loans... will one was the Anthony Pelicano one he paid. That was because Pelicano put a hold on the record deal and therefore the advance. The only other was the 11,000 dollar balance on the Saturn. I had asked him if the company could co-sign the loan because I had no credit rating and he didn't want to do that so he told us where to find the money in his closet at Neverland... remember?

The only other gift he gave me was the massage chair... until the Christmas before he died...the flat screen and DVD player. I forgot... remember he sent us a television and VHS player when we first arrived because we didn't have one. He bought you the video camera on that first trip. Then there was all the recording equipment.

We made two trips back to the States. The first one was for the LA Gear shoot. Then there was the trip to meet Taco. The first one was a few months after returning.... I think around March of 1990 and then the second one was when we went to Las Vegas. I think that was around May of 1991 but not sure. I would have to look up my journals. I have kept them all but they are in storage.

Question.

After I performed with Michael on stage at 5, what happened after that?  
 How did we end up spending that time with him at his hotel?

Hey Mom.

WR/MSF-JR-000121

It was good to be all together.  
As far as Amanda and you. I believe it will heal in time, but that time table is up to her and you.

I am definitely doing a lot better. As I see a lighter, brighter, healing future ahead of me.

You mentioned that I could look at the pages you had written towards a book. Is that something you are really okay with? For me it's just for the sake of learning some of the details of how stuff went down in the past.

If so, is it emailable?

Wade.

Good morning,  
I hope your strawberry picking was fun. It was so good to have all my children together yesterday. Most importantly, it was so good to see you looking happy and emotionally well. I know there is still a long road to travel but it so good to see that you have a great window seat and you are enjoying the scenery along the way. The most important thing to me is that you are happy. As the tragedy in Colorado is teaching us, we don't know what tomorrow brings so take advantage of every day and love everyone along the way.  
My heart hurts that Amanda is still struggling with our relationship. I pray that we can heal that.

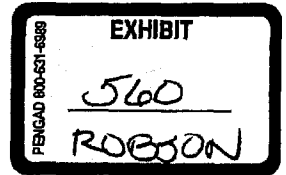

I love you so much.

Hey Sis,

When you get a chance, can you tell me what you went through, how you felt when Mom and I went to America without you for long periods of time?

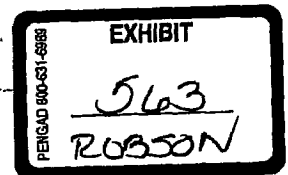

Was that just once or more than one time?

Love you. Wade.

Hey Mom.

Here are some questions that have been coming up for me as I write.  
I want to absolutely get all of the facts right.

Could you just answer these whenever you get a chance?  
You don't have to answer the whole email in one shot, whenever you can answer one question at a time, just send me a reply.

Thanks Mom.

#### QUESTIONS.

When we had that first private meeting with Michael after I performed with him when I was five in his hotel room.

Can you tell me as much as you can remember about that meeting?  
What we did, what was said, how it ended?

When did I audition for the Johnny young talent school?

When did I go on the WOMBAT TV show with Agro that first time?

How old was I when I first got my hair permed?  
How often would I get my hair permed when I was young?

Why didn't Shane come with us on that first trip to the USA?

How did we end up being able to meet Michael again at Record One that first trip?  
And at what point was that figured out and arranged? Before the USA trip or during?

You have any idea what the date was of that Record One meeting?

Can you tell me all that you remember about that first meeting at Record One?  
How did he end up inviting us to neverland? How did that go down?

What was the driving arrangement when we all went to Neverland that first time?

What did we sign when we first drove into neverland that first time with MJ and who signed what?  
What was the description of what the NDA said we could not disclose as far as you remember?

Can you explain all that you remember of that first night at neverland? What happened when we drove in, what did we do?

And that first weekend at Neverland?

How did it happen that I ended up staying with Michael and you guys went to the grand canyon?

WR/MSF-JR-000239

How did that decision get made?

When was it that I was home alone and the media was filming me through the window? You were at work right? Did I call you at work? If so how did I sound? How was I when you saw me post? Was I shaken up?

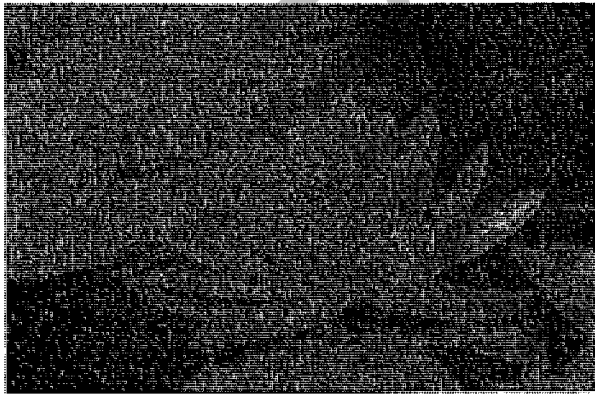

**END OF QUESTIONS.**

That's it for now. I know it's alot, just answer as much as you can whenever you can.  
Thanks Mom.

It would have been SAG scale. It would have been SAG scale. Whatever that was at the time. You worked two days. It was 500 and something per day. You never got residuals on it because it followed the tour and the tour was cancelled.
